

# REvil Ransomware Gang Returns

Targeting New Victims (like you)

CyberTalk.org

## How?

1

### DISBANDED & ARRESTED?

Amidst recent geopolitical tensions, REvil members may have been excused from past offenses. REvil has begun operating again.

2

### UNIQUE AND PROFITABLE

REvil's software is recommended by criminals as the best choice for maximizing profits. The group claims to have earned more than \$100 million USD each year.

3

### TECHNICAL DETAILS

Researchers obtained a sample of a seemingly new ransomware operation's encryptor. They confirmed ties to the REvil group.
